MEHRIN GLAM
PERMANENT MAKEUP

Brow Aftercare

HEALING GUIDE

FIRST TWO DAYS

30 minutes after your appointment, clean your brows with a cotton ball and sterilized or bottled water. Apply a thin layer of the provided ointment. Repeat every 2 hours while awake for two days.

STARTING DAY THREE

Apply the provided ointment 3 times a day for 7-10 days.

USE A SMALL AMOUNT

Use a small amount each time. Keep at least a quarter of the ointment left by day 7.

KEEP YOUR BROWS DRY
For 5-7 days, including sweating and direct water exposure

AVOID DIRECT SUNLIGHT
For 2 weeks

HEALING

Do not pick or peel flaking skin.
Avoid sweating and exercise for at least 5 days.

Avoid retinols and other actives for 30 days.
Do not tan for 30 days after treatment.

What To Expect

An approximate brow healing timeline. Everyone heals differently.

DAY 1

Freshly shaped brows.
Color may look defined.

DAYS 2-4

Brows may look darker
and more pronounced.

DAYS 5-7

Dryness and flaking
may begin.

DAYS 8-10

Flaking may continue.
Brows may look patchy.

DAYS 11-14

The "ghosting" stage.
Color may look very light.

DAYS 15-21

Color may begin to return
and soften as healing continues.
